

Expert care in your hands every time, everywhere, for everybody.

At Excellus BlueCross BlueShield we've got you covered. With comprehensive care, our programs and services put people first. And now available through our partner MDLIVE[®], we're offering Teledermatology.

From suspicious spots and rashes to cold sores and fungal infections, MDLIVE[®] board-certified dermatologists deliver reliable care for new or ongoing skin, hair, and nail conditions.

Simply describe your condition and upload a few photos to your MDLIVE[®] account. You'll receive a diagnosis and customized treatment plan from your dermatologist, including prescriptions, when appropriate, usually in 24 hours or less.¹ You can submit a message to your dermatologist for up to 30 days after your diagnosis through the portal if you have additional questions or concerns – at no additional cost.

Why MDLIVE Dermatology?

No appointments required. Tell us about your condition and upload a few photos.

No long waits. Waiting to see an in-office dermatologist can take days, weeks, or even months. Get a diagnosis, usually in 24 hours or less.

Dermatologists can send prescriptions, when necessary, right to your preferred pharmacy.

93% of patients have their issues resolved on the first consultation.²

Contact your dermatologist for up to 30 days after your appointment through the portal if you have an additional question or comment — at no additional cost.
