

Enjoy a Smarter Way to Refill

With our **Maintenance Medication Savings Program**, you can save time and money by having discounted 90-day supplies of medications delivered by Express Scripts PharmacySM, or picking them up at your local Walgreens.

Cost Savings and Convenience Come Together:

- **Save up to 33% on your prescription costs**
- **A choice of home delivery or pickup for 90-day maintenance medications**
- **Less risk of running out of critical medications when you need them most**
- **24/7 access to on-staff pharmacists — plus advice for chronic and complex conditions**
- **Convenient in-store pickup and consultations at Walgreens retail stores**

Just follow the steps below to make the switch:

1 CHOOSE

Decide whether you want your medications delivered to a location of your choice by Express Scripts Pharmacy or if you'd prefer to pick them up at a Walgreens pharmacy.

2 SWITCH

• **Express Scripts Home Delivery:**

Call 1-800-820-9729 or visit [express-scripts.com](https://www.express-scripts.com).

• **Walgreens Retail Pharmacy:**

Simply visit your local Walgreens. You can find locations close to you by logging into [ExcellusBCBS.com/Member](https://www.ExcellusBCBS.com/Member), selecting Find a Pharmacy from the Prescriptions dropdown menu, and clicking Find a Local Pharmacy.

3 CALL

For new medication requests, let your health care provider know you've switched pharmacies.

Not ready to switch? You'll receive two courtesy 30-day fills at any in-network pharmacy. After that, you'll be required to pay 100% of the prescription cost at a pharmacy other than a Walgreens retail pharmacy or Express Scripts Pharmacy.
