

The power to quit smoking

Quitting smoking is hard, but we're here to help.

Help in the palm of your hand

Our free Smoking Cessation program – powered by the Wellframe® app – puts tools and support to help you quit right in the palm of your hand. You'll have access to program modules, videos, and articles you can take with you wherever you go.

You'll also have direct one-on-one support from our local Care Management team via in-app text messages to help you build a personal plan to quit that is focused around your unique health goals. They'll help you identify your reasons for quitting, recognize triggers for smoking, develop strategies to fight cravings, and help you stay motivated and accountable along the way.
